

VALLEYWOOD
CARE

Student Care Worker

ABOUT THE ROLE

Candidates must be 18 years old to apply for this role.

Responsibilities

- **Personal Care:** Assisting with daily hygiene routines; washing, bathing, dressing, grooming, and toileting.
- **Medication Support:** Helping clients take prescribed medications through reminders, prompts, or direct administration if specifically trained.
- **Meal Preparation:** Planning and cooking nutritious meals, ensuring dietary needs are met, and assisting with feeding if required.
- **Domestic Help:** Carrying out light household tasks like cleaning, vacuuming, laundry, and sometimes light gardening.
- **Mobility Assistance:** Supporting clients to move safely around their home, including getting in and out of bed or using mobility aids like hoists.
- **Companionship & Emotional Support:** Reducing isolation through conversation, joint activities, and providing a reliable, friendly presence.
- **Community Access:** Accompanying clients to medical appointments, social events, or the shops.
- **Monitoring & Reporting:** Keeping accurate records of daily visits and promptly notifying managers of any changes in a client's health or well-being.

Key Skills & Qualities

- **Compassion & Empathy:** A genuine desire to help others and treat them with dignity.
- **Communication:** Strong verbal and written skills for interacting with clients, families, and healthcare professionals.
- **Patience & Resilience:** Remaining calm in challenging or changing situations.
- **Reliability:** Punctuality is critical as clients depend on care at specific times.
